## **FY25 Transit Trust Fund Project Recommendation**

Abby Marinelli presented the staff's recommendations for Fiscal Year 2025 Transit Trust Fund awards, outlining a proposed \$16 million funding package composed of \$8.3 million from the Transit Trust Fund and \$7.8 million from the regional reserve. Following a comprehensive evaluation of 21 applications, 13 projects were recommended for funding, with one still under review.

Key initiatives include the Southern Crescent Transit Study, the Georgia 400 First/Last Mile Connectivity Study, and the Transit Onboard Survey by the Atlanta Regional Commission.

Additional funding is proposed for three regional projects sponsored by the Atlanta-Region Transit Link Authority, totaling \$874,000. After these allocations, the Transit Trust Fund retains a balance of \$10.7 million. This October session serves as the first reading, with final decisions expected in December, after which staff will initiate contracting with successful project sponsors and monitoring of project implementation.
