PART 1 – SOLICITATION, OFFER AND AWARD

1. General Information

1.1 Purpose of Procurement

The ATL is seeking to retain the services of a firm or teams of firms to provide on-call, independent, comprehensive transit planning services. The services to be provided include, but are not limited to, assisting the ATL in conducting transit planning within the 13-county ATL region and providing staff support to the ATL in the areas of planning, public outreach and operational efficiency. The scope of work consists of furnishing all labor, machinery, tools, means of transportation, supplies, equipment, materials, safety equipment, services, and incidentals to provide the Scope of Services, attached as Part 2 of this RFP. The Contract resulting from this RFP shall be available for use by all county and local entities within the 13-county jurisdiction of the ATL. Issuance of the RFP does not compel the ATL or any county or local entity within the ATL’s jurisdiction to secure general transit planning services from the successful Contract. Furthermore, award of this Contract does not preclude the ATL or any county or local entity within the ATL’s jurisdiction from procuring the same or similar services from a firm other than the successful Contractor. The ATL shall not be a party to any county or local entity’s task orders issued under the resulting Contract and shall not have any responsibility for purchase orders or transaction by any local or county entity pursuant to the resulting Contract.

The services to be performed shall generally fall into the following National Institute of Government Purchasing (NIGP) commodity codes:

- 91896--Transportation Consulting
- 91832--Consulting

All Proposers to this RFP are subject to the instructions communicated in this document, as may be amended, and are cautioned to review the entire RFP and carefully follow the instructions herein.

A complete copy of the RFP document can be accessed on the ATL website at: https://atltransit.ga.gov/procurement/

1.2 Type and Term of Contract

The ATL shall enter into an on-call, Indefinite Delivery, Indefinite Quantity (IDIQ) contract with the selected Contractor. The Contract to be awarded by the ATL shall be for a period of three years (“Initial Term”) with up to two (2) renewal options of one (1) year each (Renewal Term). The renewal of the Contract shall be at the sole discretion of the ATL. All extensions or renewals shall be made in writing and executed by both parties.
1. 3 Solicitation Schedule

The Schedule of Events set out herein represents the ATL’s estimate of the schedule that will be followed. However, delays to the procurement process may occur which may necessitate adjustments to the proposed schedule. If a component of this schedule is delayed, the Schedule of Events may be shifted as appropriate and at the ATL’s discretion. Any changes to the Schedule of Events up to the Proposal Submission Deadline will be posted to the ATL website at https://atltransit.ga.gov/procurement/. After the Proposal Submission Deadline, the ATL reserves the right to adjust the remainder of the proposed dates, including the dates for evaluation, award and the Contract term on an as needed basis with or without notice.

2. Solicitation Terms and Conditions/Instruction to Proposers

2.1 Deadline for Submission of Proposals/Late Proposals

Proposals submitted in response to ATL Solicitation No. 19-017 must be received by ATL no later than 2:00 p.m. (EST) on July 17, 2019 to ensure that they are evaluated for Contract award by the Evaluation Committee for this procurement. Proposals received after the submission deadline will not be evaluated.

2.2 Format of Proposals

Each Proposer shall submit six (6) copies of its technical proposal, inclusive of one (1) original and five (5) identical paper copies, and one (1) electronic copy on USB drive. The technical proposal shall consist of all offer documents and supporting documentation requested in the RFP (“Technical Proposal”), excepting Offer Document 8-Price Proposal. The Technical Proposal shall be submitted in a sealed envelope and clearly marked “Technical Proposal” with the Proposer name, ATL Solicitation Number and Proposal Submission Deadline on the exterior of the envelope. The “original” paper copy of the Technical Proposal must be unbound. The USB drive shall contain electronic file copies of all complete, signed Offer Documents that are submitted in paper copy format.

Each Proposer shall also submit six (6) copies, inclusive of one (1) original and five (5) identical paper copies, and one (1) electronic copy in Excel format on USB drive, of Offer Document 8-Price Proposal in a separate sealed envelope clearly marked as “Price Proposal” with the Proposer name, ATL Solicitation Number and Proposal Submission Deadline on the exterior of the envelope. Pricing must be submitted in a separate sealed envelope.

Both the Technical Proposal and Price Proposal must be submitted to the Issuing Office by the Proposal Submission Deadline in order for the Proposer’s submission to be eligible for evaluation and consideration for Contract award. All paper copies must be clearly marked as being either “Original” or “Copy” as applicable. Electronic copies, submitted on a USB drive, must be submitted in Portable Document Format (PDF), Microsoft Word, and/or Microsoft Excel formats, as applicable. In the event of a discrepancy between a hard copy and electronic versions, the Original hardcopy version will govern.

If a Proposer submits an affidavit referred to in Section 2.5 (Confidential/Proprietary Information), one (1) separate electronic copy in searchable PDF format on one or more USB flash drives of its proposal labeled "ATL Solicitation No. 19-017: [Proposer Name] [Copy of Non-Confidential Portion
of Proposal" that excludes any records attached to such affidavit with no file to exceed 50MB.

All proposals must be prepared and submitted in accordance with the proposal format and content requirements specified in Part 1, Section 3 below. Proposals must be typed. The included required forms may be completed by using the free Adobe Reader software available at http://get.adobe.com/reader/. Proposals must be typed in English and all pricing must be provided in US dollars and exclude federal excise taxes as well as any applicable state of local sales and use taxes.

The ATL is exempt from Federal excise taxes; no payment will be made for any taxes levied on Proposer’s employee’s wages. The ATL is also exempt from State of Georgia and local sales and use taxes. The ATL shall furnish tax exemption certificates, upon request, to the successful Proposer.

As a condition of submission responsiveness, all offer documents that require the signature of Proposer must be signed. Any Contract award made as a result of this solicitation shall bind the Proposer to all of the terms, conditions, and specifications set forth in this RFP.

2.3 Location for Submission of Proposals/Methods of Delivery

Proposals must be submitted exclusively to the Issuing Officer at the address noted in Section 1.5. It is the sole responsibility of the Proposer to ensure that its proposal is successfully delivered to ATL by the specified date and time. ATL is not responsible for late or lost deliveries of proposals, for whatever reason.

Proposals that are submitted by hand delivery or delivery by U.S. Postal Service or private courier/delivery service must be delivered to the administrative office located at 245 Peachtree Center, Suite 2200, Atlanta, GA 30303. The ATL’s physical address and mailing address are the same.

All envelopes, packages, and/or boxes (including all envelopes, packages, and/or boxes submitted within a larger envelope, package, or box) containing a proposal on USB drive must be clearly marked with the following identifier on the outside of the envelope, package or box:

“Proposal in response to ATL Solicitation No. 19-017:
RFP for Annual Report & Audit Services – July 17, 2019 2:00 p.m. (EST)
ATTN: Leanna Pierre, Issuing Officer
To be opened by addressee only.”

Failure to clearly mark all envelopes, packages, and/or boxes as specified may result in the proposal being discovered and/or opened late. ATL is not responsible for proposals discovered and/or opened late due to Proposer’s failure to mark the proposal as specified. Proposals received after the Proposal Submission Deadline, due to late delivery or late discovery due to Proposer’s failure to mark the proposal as specified, may result in the ATL disqualifying the proposal from consideration for Contract award.

2.4 Questions
Questions regarding the RFP must be submitted in writing, defined as being received via letter on official firm/agency letterhead or by electronic mail, by 2:00 p.m. (EST) on July 1, 2019. Written questions must be submitted to the attention of the Issuing Officer, in accordance with Section 1.5 above.

The final Contract that the ATL expects to award as a result of this RFP is attached hereto as Part 3 of this RFP. Therefore, all costs associated with complying with the requirements of the Contract shall be included in any pricing submitted by the Proposer.

Please review the Contract and submit any and all questions, clarifications and recommendations to the Issuing Officer by the deadline date and time specified in this RFP. All questions, clarifications, and recommendations must be submitted using Attachment A-Questions and Answers Template.

Should there be any changes made to the Contract as a result of requests received, the ATL shall post a Final Contract via formal addendum to the RFP. Absent the issuance of a formal addendum containing a Final Contract, Proposers should plan on the Contract terms and conditions as attached hereto as Part 3-Contract.

Answers to all questions received by the applicable deadline will be posted to both the Georgia Procurement Registry website at http://ssl.doas.state.ga.us/PRSapp/PR_index.jsp and the ATL website at https://atltransit.ga.gov/procurement/. It is the sole responsibility of the Proposer to make itself aware of ATL’s responses to written questions the Proposer has submitted. Responses to questions are provided as information only and do not in any way alter the contents of the solicitation inclusive of the Scope of Services, the remainder of the RFP documents, or the Contract. Revisions to the solicitation or to the Contract shall be made only via formally issued addenda. Only such written addenda posted online shall constitute revisions to the solicitation.

2.5 Amendments to Solicitation (Addenda)

The ATL reserves the right to revise or amend the RFP up to the time set for the submission of proposals. Such revisions and amendments, if any, shall be announced by written addenda to the RFP. If an addendum significantly changes the RFP, the date set for the submission of proposals may be postponed by such number of days that the ATL, in its sole opinion, believes is sufficient to enable potential Proposers to address the revised RFP requirements in their proposals. In any case, the proposal submission deadline shall be at least three (3) business days after the last addendum, and the addendum shall include an announcement of the new date, if applicable, for the submission of proposals.

Upon issuance, addenda will be considered part of the RFP and will prevail over inconsistent or conflicting provisions contained in the original RFP. Changes to the RFP will be made in writing via formally issued addenda.

The ATL will not be responsible for a potential Proposer failing to receive notification of the availability of addenda. EACH PROPOSER IS INDIVIDUALLY RESPONSIBLE FOR REVIEWING ADDENDUMS AND ANY OTHER POSTED DOCUMENTS AND MAKING ANY NECESSARY OF APPROPRIATE CHANGES AND/OR ADDITIONAL TO THE PROPOSER’S RESPONSE PRIOR TO SUBMISSION. It is the sole responsibility of each potential Proposer to check the ATL and Georgia Procurement Registry websites daily for addenda.
Proposers shall acknowledge receipt of all addenda by completing and submitting Offer Document #3 (Acknowledgement of Addenda), included in this RFP, as part of its proposal. As with other required documentation, proposals that fail to reference receipt of addenda by inclusion of Offer Document #3 (Acknowledgement of Addenda) may be excluded from consideration for a Contract award.

2.6 Single Response to Solicitation

If only one proposal is received in response to this RFP, a detailed cost analysis of the single proposal may be requested of the single Proposer. A cost analysis, evaluation, and/or audit of the proposal may also be performed by ATL in order to determine if the proposal price is fair and reasonable. If ATL determines that a cost analysis is required, the single Proposer must be prepared to provide, upon request, detailed summaries of estimated costs (i.e., labor, equipment, supplies, overhead costs, profit, etc.) and documentation supporting all cost elements.

2.7 Confidential/Proprietary Information

Any and all materials submitted in response to this RFP are subject to public inspection, pursuant to the provisions of O.C.G.A. § 50-18-70 et seq., Georgia’s Open Records Act, upon completion of the RFP process. Each Proposer will be responsible for clearly identifying and labeling any records contained in its proposal as "trade secret" that the proposer has reasonably determined meet the definition of "trade secret" under Section 10-1-761(4) of the Georgia Code and that the proposer wishes to be exempt from disclosure under Section 50-18-72(a)(34) of the Georgia Code or any other applicable law. The Proposer must attach to its proposal an affidavit affirmatively declaring that specific information in the Records constitutes trade secrets pursuant to Article 27 of Chapter 1 of Title 10 of the Georgia Code.

If the ATL receives a request for public disclosure of all or any portion of the materials identified as "trade secrets" in a proposal in accordance with this RFP, before producing such records in response to such request, the ATL shall notify the Proposer of its intention to produce such records. If the ATL makes a determination that the specifically identified information does not in fact constitute a trade secret, it shall notify the Proposer of its intent to disclose the information within ten (10) days unless prohibited from doing so by an appropriate court order. If the Proposer wishes to prevent disclosure of the requested Records, the Proposer may file an action in Fulton County Superior Court to obtain an order that the requested records are trade secrets exempt from disclosure. The Proposer shall serve the requestor with a copy of its court filing. If the ATL makes a determination that the specifically identified information does constitute a trade secret, ATL shall withhold the records, and the requester may file an action in Fulton County Superior Court to obtain an order that the requested records are not trade secrets and are subject to disclosure.

Proposers are advised that their designation as "trade secret" will not be binding on the ATL or determinative of any issue relating to confidentiality. The ATL will not accept blanket designations that do not clearly identify information and materials that are "trade secrets". The ATL may, in its sole discretion, and subject to compliance with the Open Records Laws and other applicable law, treat the whole of the relevant Section(s)/document(s) that are subject to such a blanket designation
as subject to disclosure pursuant to the Open Records Laws.

All material submitted regarding the RFP becomes the property of ATL. Any activity pursuant to this RFP by any Proposer is governed by all applicable laws, including without limitation, Georgia and Federal antitrust laws. The ATL is not responsible to return to a Proposer any or all of the proposal or other information furnished by that Proposer.

In no event will the State, ATL, SRTA, or any of their agents, representatives, consultants, directors, officers or employees be liable to a Proposer or Major Team Member for the disclosure of all or a portion of an proposal submitted in response to this RFP.

Nothing contained in this provision shall modify or amend requirements and obligations imposed on ATL or any other State entity by the Open Records Laws or other applicable law, and the provisions of the Open Records Laws or other laws shall control if there is a conflict between the procedures described above and the applicable law.

2.8 Reserved Rights

In connection with this solicitation, SRTA reserves to itself all rights (which rights are exercisable by SRTA in its sole discretion) available to it under its Procurement Policy and applicable law, including without limitation, with or without cause, and with or without notice, the right to:

(a) modify the procurement process or documentation described in this RFP;

(k) appoint Evaluation Committees to review proposals, and seek the assistance of outside technical experts and consultants in Proposal evaluation;
(l) make independent calculations with respect to numbers and calculations submitted in a Proposal for purposes of its evaluation;

(m) revise the evaluation criteria or methodology by issuing an amendment prior to the Proposal Submission Deadline;

(n) require confirmation of information furnished by a Proposer, require additional information from a Proposer concerning its proposal and require additional evidence of qualifications or ability to perform the work described in this RFP;

(o) seek or obtain data from any source that has the potential to improve the understanding and evaluation of the responses to this RFP;

(p) add or delete Proposer responsibilities from the information contained in this RFP;

(aa) exercise its discretion in relation to the matters that are the subject of this RFP as it considers necessary or expedient in light of all circumstances prevailing at the time that SRTA considers to be relevant.

This RFP does not commit SRTA to enter into the Contract or proceed with the procurement described in this RFP. SRTA and the State assume no obligations, responsibilities or liabilities, fiscal or otherwise, to reimburse all or part of the costs incurred or alleged to have been incurred by parties
considering a response to or responding to this RFP, or any subsequent RFP. All such costs shall be borne solely by each Proposer.

Except as provided in this RFP, in no event will SRTA be bound by, or liable for, any obligations with respect to the Project until such time (if at all) as the Contract has been authorized by SRTA and executed by SRTA and, then, only to the extent provided in the Contract. No Proposer shall have any cause of action against the ATL arising out of the methods by which proposals are evaluated.

The ATL has the sole right to select the successful proposal(s) for contract award(s); to cancel the solicitation and to advertise for new proposals; to award a contract(s) to other than the Proposer submitting the lowest cost proposal; to award multiple contracts; or not to award a contract as a result of this RFP.

The ATL reserves the right to accept any proposal deemed to be in the best interest of the ATL and to waive any irregularity or informality in any proposal that does not prejudice the ATL or other Proposers.

The ATL reserves the right to negotiate with the Proposer whose proposal is considered by the ATL, and in its sole discretion, to be most advantageous to the ATL.

2.9 Protest Procedures

The ATL’s protest policy shall govern this solicitation, and it can be found at: https://atltransit.ga.gov/procurement/.

2.10 Minority Business Participation

The requirements of 49 CFR Part 26, Regulations of the U.S. Department of Transportation, apply to this solicitation and resulting Contract. It is ATL’s policy to practice nondiscrimination based on age, disability, race, gender, color, sex, religion or national origin in the award or performance of this contract. All companies qualifying under this solicitation are encouraged to submit proposals. The requirements of this solicitation apply for all Proposers, including those who qualify as a Disadvantaged Business Enterprise (DBE). Proposers with questions regarding DBE certification may contact the Issuing Officer. Additional Contract requirements related to participation by DBEs are specified in Part 3 – Contract of this RFP.

As an incentive to increase utilization of minority-owned businesses as subcontractors on State purchases, the State of Georgia provides for an income tax adjustment on the state tax return of any company that subcontracts with a State certified minority-owned firm to furnish goods, property, or services to the State of Georgia. The Tax Incentive Program is codified at O.C.G.A. §48-7-38 and is managed by the Georgia Department of Revenue.

2.11 Ethical Standards

It is a breach of ethical standards for any ATL employee to participate directly or indirectly in a procurement when the employee knows:

- Any other person, business or organization with whom the employee or any member of employee’s immediate family is negotiating or has an arrangement concerning prospective employment is involved in the procurement.

ATL employees are also bound by the Georgia Governor’s Executive Order, dated January 14, 2019, for “Establishing a Code of Ethics for Executive Branch Officers and Employees.” The Executive Order prohibits ATL and ATL employees, or any person acting on their behalf, from accepting, directly or indirectly, any gift from any person with whom the employee interacts on official ATL business. Therefore, it is unlawful for a potential Proposer, or its subcontractors or suppliers, to make gifts or favors to any ATL employee. It is also unlawful for any ATL employee to accept any such gift or favor. In addition, any persons acting as members of the Evaluation Committee for this procurement shall, for the purposes of this procurement, be bound by the referenced Executive Order.

Throughout the proposal evaluation and award process and subsequent contract negotiations, Proposers shall not discuss or seek specific information about this procurement, including but not limited to, the contents of submissions, the evaluation process or the contract negotiations, with members of the Evaluation Committee, the ATL Board of Directors, or ATL employees other than the Issuing Officer.

Any prospective Proposer, anyone representing the Proposer, any subcontractor or supplier on the Prospective Proposer’s team, or anyone representing a subcontractor or supplier on the Proposer’s team who attempts to influence any member of the Evaluation Committee, the ATL Board of Directors, or ATL or SRTA employees in regards to this solicitation by offering or giving any advantage, gratuity, discount, bribe, or loan to any member of the Evaluation Committee, the ATL Board of Directors, or ATL or SRTA will have its proposal removed from consideration for Contract award.

Proposers should contact the Issuing Officer at least one day in advance if they require special arrangements when attending the Pre-Proposal Conference. The Georgia Relay Center at 1-800-255-0056 (TDD only) or 1-800-255-0135 (Voice) will relay messages, in strict confidence, for the speech and hearing impaired.

Once the Proposer’s response is withdrawn, the ATL has no response from the Proposer. Unless and until the Proposer resubmits the received response, the ATL will have no offer from the Proposer to evaluate for possible Contract award. Any resubmission must the received by the ATL no later than the Proposal submission deadline.

Proposer, a key team member or key personnel could or could be seen to exercise an improper influence over the objective, unbiased and impartial exercise of the ATL or SRTA’s independent judgment; or 2.) could or could be seen to compromise, impair or be incompatible with the effective performance of its obligations under the resulting Contract.

The foregoing list is a demonstrative list and shall constitute a limitation on the Proposer’s disclosure obligations.

The ATL, in its sole discretion, will make a determination relative to a real or perceived potential conflict for a Proposer and its ability to mitigate such a conflict. A Proposer found to have a Conflict
of Interest that cannot be mitigated, as determined in the sole discretion of ATL, shall not have its proposal submission evaluated for Contract Award.

Failure to comply with the requirements in this Section 2.16 or to abide by the ATL’s determination in this matter may result in the ATL disqualifying the Proposer from submitting a proposal, disqualifying the offending team member from participating on a Proposer’s team or, following submission of a proposal, discontinuing further consideration of such Proposer and its proposal.
