Jonathan Ravenelle

November 3, 2022

GRANTEE-TO-GRANTEE ASSET TRANSFER

► Direct Federal Recipient Status of ATL:

- ATL received direct federal recipient status from FTA
- ATL is now receiving federal funding directly from FTA through both formula and discretionary funding programs

► Transfer of Xpress Commuter Service to ATL:

- Xpress commuter service was transferred from SRTA to ATL in July 2020
- Federal interest in the assets had been retained by GRTA while Xpress was operated by SRTA
 - Transfer of federal interest in Xpress assets was delayed in early 2018 due to HB 930 sunset requirements for Xpress with SRTA
- Federal interest now needs to be transferred to ATL with ATL serving as the primary grant recipient for Xpress service

GRANTEE-TO-GRANTEE ASSET TRANSFER

► Implications for GRTA:

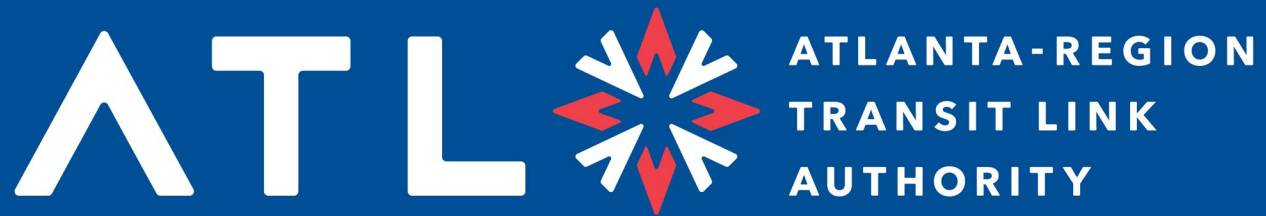

- GRTA will continue to maintain and manage currently active grants that were obligated under the GRTA entity until all funding has been expended
 - FTA staff have indicated that GRTA cannot transfer existing grants to ATL without jeopardizing the loss of funding obligated in these grants
- GRTA will no longer be responsible for FTA funded asset records and dispositions associated with Xpress service
- GRTA Board approved transfer on June 8, 2022

► Implications for ATL

- ATL will continue to submit new grants for funding associated with the Xpress service as its done since 2020
- ATL will assume authority for FTA funded asset records and dispositions associated with Xpress service

GRANTEE-TO-GRANTEE ASSET TRANSFER

- Staff recommendation:
 - Committee move the resolution to the Board for consideration of approval of the Grantee-to-Grantee asset transfer from GRTA to ATL

Three Rivers Regional Commission

- The TRRC Rural Transit Program includes 7 counties (Butts, Carroll, Lamar, Meriwether, Pike, Spalding and Upson)
- TRRC assists Coweta County administering their program
- Carroll, Pike, Spalding, and Coweta are all counties within the Atlanta UZA eligible for using 5307 suballocated by ATL
- TRRC providing 5307 eligible trips/service that could be further supported by federal funding suballocated by ATL
- TRRC unable to access 5307 funding due to lack of direct recipient status

Three Rivers Regional Commission

- ATL to provide TRRC access to 5307 funding as part of its role as Designated Recipient for the 23-county Urbanized Area
- ATL and TRRC to enter into subrecipient relationship for 2-year period
- Timing allows TRRC to begin Direct Recipient application with FTA
- ATL would then suballocate 5307 FTA formula funding for TRRC counties directly to TRRC for funding administration
- TRRC to provide \$30k annually as reimbursement for costs associated with compliance monitoring and grant admin.
