

# ATL RIDES Transit Partners

We are proud to collaborate with the transit authorities that millions of Atlantans rely on every day.

---

## CATS

**Cherokee Area Transit System (CATS)** provides fixed route service in and around Canton and countywide demand response service.

---

## CobbLinc

With more than 2.75 million passenger trips annually, **CobbLinc** provides local bus service, paratransit and FLEX on-demand service within Cobb County as well as commuter bus to and from Downtown and Midtown Atlanta.

---

## Connect Douglas

**Connect Douglas** is a commuter-oriented program that operates work-trip vanpools and offers transportation assistance to senior adults and disabled individuals. New fixed route bus service launched in 2019 offering four routes and complimentary ADA paratransit service.

---

## Ride Gwinnett

**Ride Gwinnett** offers express bus, local bus and paratransit service. Commuter express bus service operates between Gwinnett County and downtown and midtown Atlanta. Local bus service connects neighborhoods and businesses to Gwinnett County's many cultural, shopping and educational opportunities.

---

## MARTA

The **Metropolitan Atlanta Rapid Transit Authority** will have exclusive authority for operating region's heavy rail system, including any new heavy rail projects. MARTA controls its current local funding and federal formula funding, and its legal contractual obligations are unaffected.

---

## Xpress

Operated by the Atlanta-region Transit Link Authority (ATL), **Xpress** buses provide more than 1.8 million passenger trips every year. They operate 27 routes across 12 metro Atlanta counties providing commuters access to and from major employment centers in Downtown, Midtown, and Perimeter Center.
