**Xpress Transit Operations Winter Travel Advisory
Xpress Services Are Suspended for Thursday, January 23, 2025
Due to Lingering Inclement Weather and Hazardous Road Conditions**

ATLANTA – The Atlanta-Region Transit Link Authority (ATL) announces that all Xpress transit services will be suspended for Thursday, January 23, 2025, due to ongoing inclement weather and hazardous road conditions. Additionally, the Xpress Retail Center at 245 Peachtree Center will be closed, along with the call center.

This closure is in alignment with many school districts in our jurisdiction, which will also be closed tomorrow.

If you need to travel, please consider checking with our regional transportation partners for alternative service options. For a list of operating service providers, visit <https://xpressga.com/partners/>.

We will continue to monitor the situation and provide updates as necessary. We apologize for any inconvenience and appreciate your understanding during this time.

For the latest service updates, please visit our website at xpressga.com, follow us on Facebook, or check Twitter @XpressGA.

About the Atlanta-Region Transit Link Authority

The ATL was created by the Georgia General Assembly during the 2018 legislative session to provide coordinated transit planning and funding for the metro Atlanta region. The ATL is responsible for developing the ATL Regional Transit Plan, as well as identifying and prioritizing the projects and initiatives required to develop region-wide transit. The ATL is also charged with creating a unified regional transit system brand. Effective July 1, 2020, the ATL was legislatively authorized to oversee the state's Xpress regional commuter transit system and the Atlanta region's vanpool system. The population of metro Atlanta is growing rapidly and projected to add an additional 2.5 million residents by 2040. The ATL is a critical step towards more efficient and effective transit and mobility in the region. For more information on Xpress and the ATL, visit <https://atltransit.ga.gov/> and follow us on Twitter and Facebook.
