

THE
ATLANTA REGION'S

Transit Programs Of Projects

DRAFT

Last Updated: July 24, 2025

FTA Formula Programs

The Program of Projects (POP) outlines the Federal Transit Administration (FTA) formula funds allocated to the Atlanta region, and shows the projects that local governments apply the funds towards. These FTA formula funds include the Section 5307 Urbanized Area (UZA) Formula Program, the 5337 State of Good Repair Grants Program, and the 5339 Bus and Bus Facilities Program. The POP compliments the Atlanta Region Metropolitan Planning Organization's Transportation Improvement Program (TIP) which lists how all federal transportation funds are programmed. The TIP lists the suballocation amounts for the FTA formula funds while the POP goes into detail to include the specific projects that local governments spend these funds on. The ATL, as Designated Recipient for the Atlanta region's urbanized area FTA formula fund apportionments, is responsible for gathering the POP information from operators and local governments.

Each recipient fo FTA Section 5307 funding in the Atlanta region will meet the 0.75% Safety Set-Aside Requirement referred to in 49 CFR Part 673. For UZAs with a population of 200,000 or more, Designated Recipients are responsible for ensuring that the annual POP complies with the requirement that at least 0.75 % of each recipient's Section 5307 allocation is used for safety-related projects in accordance with 49 U.S.C. 5329(d)(4)(B).

Additionally, in compliance with 49 U.S.C. 5307(c)(1)(J), the ATL certifies that Recipients in the Atlanta UZA will collectively use at least 1% of the amount of Section 5307 funding apportioned to the UZA under 49 U.S.C. 5336 for a fiscal year on "public transportation security projects;".

In compliance with requirements and guidelines outlined in FTA Circular 4702.1B, and the Atlanta-region Transit Link Authority (ATL) Title VI Program, ATL conducts public involvement activities for the proposed POP on behalf of the regional operators and local governments. However, the ATL public involvement process does not preclude local governments and transit operators from proactively conducting public involvement and/or public outreach as part of their individual planning process.

The table below lists the recipients for each FTA formula fund program in the Atlanta region. A local government must either be a Direct Recipient, or partner with one, to access FTA formula funds. Projects shown in the POP are those identified and planned by each applicable Direct Recipient to be carried out in the Fiscal Year. For more information on eligible projects, local match requirements and other fund requirements, please refer to the fact sheets and circulars below.
